Dear Parents,

Yet another summer flew by so fast!! Here at Happy Minds we had so much fun with our super awesome weekly themed activities, crazy fun water play days, wheel days, dress up days, and most importantly our fun filled memorable field trips!!

Our end of summer picnic was really great. Our kids enjoyed playing with their friends, and had so much fun despite the heat! I would like to take this opportunity to thank all our parents who provided food and snacks for our picnic, and most importantly for taking the time off of your busy schedules to spend some fun family time with your little ones.

As we approach another brand new school year we look forward to yet another grand new adventure with our kids.

We would be very grateful if students are dropped off at school no later than 8:45 am in the mornings so that they can start their day with our morning assembly and flag salute. Kindly call or email the school if you are running late.

Thank you once again for entrusting us with your wonderful kids!

~ Ms. Fas-hana Afaz

Star Room

Welcome to the STAR Room! We are so thrilled to have your child in our class. September is an exciting month of getting to know each other, exploring many new transitions, routines, and learning styles. Our main focus for the month of September will be to encourage each child's individual strengths and classroom expectations, engage in many stimulating activities, and aide in fostering teamwork and the classroom as a whole. We strive to foster teamwork within our classroom by learning to share and appreciate what we have within, and so we do not allow any toys, or stuffed animals to be brought in from home.

Our classroom will provide many opportunities for your child to explore, cultivate, and advance with one another on this new amazing journey! Your child will begin to transition into a more structured routine and learning environment. We look forward to watching each child's progression and are excited for another fantastic year! If you ever have any questions about your child's progress, we are always available to talk. ☺ With Love,

- Ms. Yvonne & Ms. Clarissa

Pre- Kindergarten

Welcome aboard, Pre-k-ers and Parents!

We look forward to beginning our journey together, this new school year. Getting to know you and your child, acclimatizing to new structured routine and expectations, will be our focus for September. Children will be engaged in fun activities and games to learn concepts of colors, shapes, language arts and math. Our continuous goal for children will be promoting team work, getting along and respecting each other, sharing, taking turns, conflict negotiation and problem solving. Our efforts will also focus on Good Health and Nutrition on a daily basis.

At the end of the month, we will begin learning letters. An alphabet will be introduced each week with 'Show and Tell' on Wednesdays and Cooking on "Flavorful Fridays". We encourage parent participation in our classroom activities for children to enjoy the experiences. If you have an questions, concerns or clarifications regarding matters pertaining to your child, please feel free to approach us. We look forward to enjoying a fabulous year together!
