

Dear Parents,

Welcome Spring! We at Happy Minds Kids Academy are very excited that we will be able to start enjoying nice warm days and enjoy all the wonders of nature that spring brings!

The last month has indeed been a very busy and fun month for all of us here at Happy Minds. Dr. Seuss week was so much fun...it was so cute to see everyone participate and have a blast. Our Birthday Party, and Green Snack Day, too, were a great success. I would like to thank all our wonderful parents for readily providing items for our fun events.

Our Chuck E Cheese's fundraiser too was a great hit! We were glad to see so many families participate and help create wonderful memories.

As always, this month too, we have a lot to look forward to, and we are super excited to start off April with a bang!

Ms. Fas-hana Afaz

We at Happy Minds Kids Academy wish them all a very Happy Birthday!!!

Welcome!

We warmly welcome baby Sienna, baby Crosby, baby Gideon, Noah, George and Abigail to our Happy Minds family.

Spring Egg Hunt April 6th (Fri)

Our Spring Egg Hunt is scheduled for Friday, April 6th. Please have your child bring in 24 stuffed plastic eggs (taped shut) by Wednesday April 4. Each child also needs to bring in a basket/pail for the event.

Please avoid stuffing the eggs with loose food items. You can use wrapped candy, stickers or other small alternatives. Please see your child's class teacher for more information.

Theme: 'Spring has Sprung'

Color: White

Shape: Oval

Nursery Rhyme:
"Humpty Dumpty"

Important Dates

April 6th -
Spring Egg Hunt.

April 27th -
National Superhero Day.

**NATIONAL
SUPERHERO DAY**
April 27th

Calling All
SUPERHEROES!!

April 27th is National Superhero Day! So let us celebrate all the fictional and real life heroes that give it their all.

Come dressed up as your favorite superhero on April 27th and join Happy Minds Kids Academy in honoring all those people that risk their lives every day to keep us safe.

Class News

Infant Room

April will be a month of joy and excitement as we celebrate the beginning of spring! We love watching our babies grow! It is so rewarding to see their happy and smiling faces.

Our room is always busy with babies exploring and growing. We are excited to welcome Sienna, Crosby and Gideon to our room.

- Ms. Manuela, Ms. Feri & Ms. Crystal

Toddler Room

Hi to all of our amazing parents. We can't believe yet another month is among us. We are already in the month of April and spring has already begun. This month we will be doing many activities which welcome the season.

We will continue to work on sharing and taking turns. We will learn different songs as well as the classics. We will be having our annual spring egg hunt. We are so excited we can't wait!

- Ms. Terri, Ms. Ciara & Ms. Diane

Rainbow Express

Spring is here! We look forward to sunnier days and light rain showers. Our classroom will be blooming with crafts. There will be egg decorating, basket making, and fun flower art.

We will be exploring ooey gooey eggs, fluffy white bunnies, and beautiful flowers during our sensory play. We look forward to celebrating Earth Day! Spring has sprung!

- Ms. Nicole & Ms. Jaymie

Rainbow Room

Hello Rainbow Room!! Spring is in the air!

What a busy month we've had so far. Our St. Patrick's Day and Birthday Celebrations were a great success. We will start this month by exploring bugs and nature, and enjoying the fresh spring air as the weather changes.

We will continue to work on our letters and sounds along with our nursery rhyme. As we have fun learning, we sure are growing smarter each day!

-Ms. Keri, Ms. Regina & Ms. Ebbie

Star Room

Hello Spring and STAR Room Families!

What a delightful time the children had last month as we searched for Leprechauns and took some of his gold!! We also conducted a few science experiments, such as making a rainbow. The children enjoyed watching the "Water Walk" as the colors blended to form more colors. We also talked about "Blubber," and how the animals in the North Pole have blubber to keep them warm. We experimented with blubber" (Crisco :-) dunking our hands with blubber into icy cold water and seeing how long they could last! It was a lot of fun.

With the warmer weather approaching, April will guarantee to bring just as much fun and exciting adventures as we are able to explore outside. Looking forward to another GREAT month!! Thank you for allowing us the time to teach and transform these precious young minds. We cherish EVERY moment spent with them!

- Mrs. Yvonne & Miss Clarissa

Pre- K

March was a thrilling month for children with Dr. Seuss activities and the visit from the tricky Leprechaun! :)As we Spring forward into the bright and glorious month of April, children will actively engage in planting seeds and learning parts of the plant and observe the transformation of the caterpillar into a butterfly. They will learn the life cycles of other animals too. As Earth Day approaches, children will learn the importance of reducing, reusing and recycling.

We are at the tail-end of the alphabets, yay!! We will celebrate with an alphabet party and pajamas! We continue with position and rhyming words in language arts. The children have been introduced to graphs in Math and continue with sequencing and seriating skills.

Please feel free to approach us for any concerns you may have. We extend our gratitude to all parents for their understanding and support.

- Ms. Rashmi & Ms. Sally

Junior K

April is here! Spring has sprung and Jr. K is in full bloom!

We will be exploring for insects, baby birds, and butterflies. We look forward to observing our caterpillars turn into butterflies. We will be learning how to incorporate what's going on around us, or with us, into our writing skills. Just as you have seen the penny jar exercise regarding numbers, we will continue expanding our number count. We look forward to our cooking activities on Fridays.

We are very excited to be nearing the completion of our alphabet!! Yeah!! We plan on celebrating this great milestone with an ABC Party! Children will be learning on acts of kindness! Our kids are progressing steadily and are very excited that they'll be starting Kindergarten soon!

Thank you , for all your cooperation!!

- Ms. Diane
