Dear Parents,

I can't believe we are already into the month of February. Time sure flies when we are busy having fun.

This past month has indeed been a very busy and hectic month with many changes brought about due to our expansion. We want to take a moment to thank all our amazing families for being very patient, supportive and understanding during these transitioning times.

Even though February is the shortest month of the year, we have so much fun activities planned. Embracing the spirit of Valentine's Day, this month's theme is centered around FRIENDSHIP & LOVE! We will be focusing on how we treat others, engage in many activities that promote teamwork, kindness and taking turns.

We will be celebrating 100 Days of Preschool on Friday the 7th of February! What a milestone! We are 100 Days smarter!!

February is also dental health month and we will have some activities focused around the importance of dental hygiene.

As we celebrate this month of love, please know how much we love your children and appreciate all of you! We feel so blessed to be part of your child's life!

~ Ms. Fas-hana & Ms. Yvonne

Class News

Infant Rooms

We are super excited to have two Infant Rooms now. We love having all our new babies and are looking forward to getting to know them and bond with them. Our babies are transitioning well and having so much fun in the Infant Rooms!

We are so looking forward to the nicer weather, so please send your child dressed in appropriate clothing to help us enjoy some outside time. Please continue to name and date all of your baby's food jars and containers on a daily basis.

- Ms. Manuela, Ms. Sally, Ms. Sarah,
Ms. Feri, Ms. Esther & Ms. Tiana

Toddler Room

Welcome to the month of February. Love is in the air and we will be doing many activities that relate to Valentine's day. There will also be many sensory activities to come that will enhance their fine and gross motor skills, in keeping with this month's theme.

We will be working on sharing and taking turns as always. We have lots of fun songs and we can't wait to dive right into this coming month.

- Ms. Terri, Ms. Ciara, & Ms. Tina

Rainbow Express

Love is in the air! ♥ Let's spend this month sharing our love. We had such a great start to our year, and we are very excited to welcome the month of love into our class. As we enter February, our main focus will be to learn how to share our love and happiness with one another.

We will also be doing a lot of arts and crafts along with a new shape and colors. We look forward to our valentine's class party this month!

- Ms. Niema & Ms. Kaitlenn

Rainbow Room

It has been such an amazing year so far. The children have been learning so much. February is the month of love, so we look forward to spreading the joy of love around our classroom. This month we will talk about our feelings and emotions. We will express ourselves through art and song.

We will continue working on our shape, color, and nursery rhyme for the month. We look forward to celebrating 100 days of school! Rainbow Room wishes all of our families a Happy Valentine's Day!

- Ms. Hiranthi, Ms. Diane
& Ms. Rozie

Star Room

Happy February Families! Love is in the air and spreading around Star Room this month. With that come talks about our feelings, emotions, and friendships!

We have had a great start to our new year that we can't wait to see what the rest holds for us. As we enter the month of February, we will encourage to build positive friendships in and outside the class and also continue to recognize acts of kindness.

This month, we are also very excited to celebrate our 100th day of school! We will have our Valentine's party to celebrate the many amazing friends we have made at HMKA and the bonds we will cherish forever! We are looking forward to another exciting month full of laughter, building bonds, and exploration

- Ms. Clarissa & Ms. Jaymie

Pre-K

Feel the love in February! This month we will be discussing emotions. Children will continue to learn ways to express themselves and befriend others with kind words and actions. Various activities in math, language arts and other learning areas will focus on this month's theme and Valentine's Day. Please be on a look-out for our Valentine's Day Party sign-up sheet. Other celebrations will be Ground Hog day and 100th day of school with related activities.

Children have been doing so well in math skills of counting, patterning, recognizing numbers and shape through games and manipulatives. This month we will begin writing numbers and continue with seriation and sequencing skills. In language arts, they will be introduced to rhyming words which we will practice through games and conversations. Our letters this month are: Rr, Ss, Tt and Uu. Please continue to send in Share Bags...the kids really love it!! Thank you for all you do for our class!

- Ms. Rashmi & Ms. Sierra

Junior Kindergarten

I am very excited to be the new teacher in Jr. Kindergarten and I look forward to experiencing the love in J.K. this February! ♥

We will use this month to talk about our feelings and emotions, along with getting to know the kids in the class. As always, acts of kindness will be recognized and encouraged.

The children have been working hard on their letters. Their ABC books look AMAZING, and I can't wait to see the finished product as the children are taking pride in their work and are loving the results of their nearly completed class binders and ABC books. We look forward to celebrating our 100th day of school this month! Yay! ☺

I will continue the work initiated by Ms. Nicole, and will strive to ensure the transition is smooth and seamless for the kids. I am very eager to take on this journey with my new class.

- Ms. Julia
