Dear Parents,

Happy New Year everyone!! We hope all of you had a great holiday season with family and loved ones. As we step into another brand new year, a new decade, we want to thank each and every one of you for making Happy Minds Kids Academy's success possible!! We couldn't have come this far without your continued help and support at all times.

Our Winter Holiday Parties were a great success! We had a full house of parents, grandparents, aunts, uncles, siblings and even cousins!! ☺ Everyone had so much fun working on their crafts and hanging out with other families. Our kids sure enjoyed singing and their gift exchange! It was wonderful to see the sparkle in their eyes during gift giving! Thank you very much for your wonderful greeting cards and generous gifts. A big thank you also goes out to everyone who donated generously to our pajama drive.

We are very excited to announce that our expansion is finally complete! This has been a work in progress for over three years and we are so blessed to finally bring it to fruition. We warmly welcome Ms. Tina and Ms. Sarah, our new staff members, who will be working in our new classrooms.

We look forward to what 2020 has in store for Happy Minds Kids Academy and we invite you all to continue sharing this wonderful journey with us!
~ Ms. Fas-hana & Ms. Yvonne

We can hardly wait to begin a New Year and focus on creating more amazing artwork, learning more each day and spending time with classmates. wishes for a safe and wonderful New Year!

We will continue with alphabets from 'Mm to Pp' this month with songs, games and activities. Children have shown progress in math skills with hands-on activities, using everyday tools and objects with manipulatives and games. In language arts, we will begin with 'opposites' and in Spanish, they will continue practicing 'Months of the year' and learn 'Days of the week' to advance their vocabulary. Junior Kindergarten

Happy New Year Jr-K families!

As we look back on 2019, we will discuss the highlights of our year and our hopes for what 2020 will bring. We will continue learning about winter activities, animals, and winter weather. We will have an opportunity for some insightful reflective journaling.

The children will review the letters, numbers, and colors they have studied thus far, through song and games. Their math skills have strengthened by using manipulatives, worksheets, open ended discussions on real life math, and our cooking days. We will begin to focus on adding and subtracting natural numbers.

We are beyond excited for this fun start to the new year! Wishing all of you a happy and healthy 2020!!!

- Ms. Nicole
