Dear Parents,

I can't believe we are already into the month of February. Time sure flies when we are busy having fun.

Even though February is the shortest month of the year, we have so much fun activities planned. Embracing the spirit of Valentine's Day, this month's theme is centered around FRIENDSHIP & LOVE! We will be focusing on how we treat others, engage in many activities that promote teamwork, kindness and taking turns.

We will be celebrating 100 Days of Preschool on the 1st of February! What a milestone! We are 100 Days smarter!!

February is also dental health month - so we will have some activities focused around the importance of dental hygiene.

This month, we will also be participating in the Brave Race organized by the Joyful Child Foundation in memory of Samantha Runnion. This will no doubt be a fun event with a very worthy cause. We are hoping we can walk as a team in the Joyful Child Fun Run at 9:15 am

As we celebrate this month of love, please know how much we love your children and appreciate all of you! We feel so blessed to be part of your child's life!

~ Ms. Fas-hana Afaz

Class News

Infant Room

Our babies are having so much fun in the Infant Room! We are so looking forward to the nicer weather, so please send your child dressed in appropriate clothing to help us enjoy some outside time. We need to ensure they have jackets and shoes in order to bundle up and go outside if and when the weather got cooler.

Please continue to name and date all of your baby's food jars and containers on a daily basis.

- **Ms. Manuela, Ms. Feri, Ms. Diane & Ms. Michelle**

Toddler Room

Welcome to the month of February. Love is in the air and we will be doing many activities that relate to Valentine's day. There will also be many sensory and activities to come that will enhance their fine and gross motor skills in keeping with this month's theme.

We will be working on sharing and taking turns as always. We have lots of fun songs and we can't wait to dive right in to this coming month.

We look forward to a fun month!

- **Ms. Terri, Ms. Ciara, Ms. Ebby & Ms. Niema**

Rainbow Express

Love is in the air! ♥

Let's spend this month sharing our love. We had such a great start to our year, and we are very excited to welcome the month of love into our class. As we enter February, our main focus will be to learn how to share our love and happiness with one another.

We will also be doing a lot of arts and crafts along with a new shape and colors! Feel free to stop by and look at our art work. We will have a valentine's class party this month, so thank you parents for having our little ones enjoy some treats with their friends. Happy valentines to you all ♥

- **Ms. Jaymie & Ms. Tiana**

Rainbow Room

It has been such an amazing year so far. The children have been learning so much. We have introduced many sensory activities, and new songs. We will be celebrating 100 days of school on February 1st. We are getting smarter each day as we continue to learn our shapes, colors and nursery rhymes. Hundred days of learning for these precious minds.

February is a month full of love. We will continue working on some fun arts and crafts during this festive month celebrating love.

- **Ms. Regina & Ms. Korri**

Star Room

Happy February Families,

♥ Love is in the air and with that comes many talks about our feelings, emotions, and kind ways! Our classroom will be displaying many heart shapes, colors of love, and explore the sound our heart makes with our very own stethoscope.

We will continue to foster our classroom rules of using our words to express our feelings, and encourage children to build positive friendships with one another. We are looking forward to another exciting month full of laughter, building bonds, and exploration... oh and some talks about football!! 😊

- **Ms. Yvonne, Ms. Clarissa & Ms. Rozie**

Pre- K

February, the month of Love & Feelings! This month we will be discussing emotions. Children will continue to learn ways to express themselves and befriend others with kind words and actions. Various activities in math, language arts and other learning areas will focus on this month's theme and Valentine's Day. Please be on a look-out for our Valentine's Day Party sign-up sheet. Other celebrations will be the Ground Hog day and 100th day of school with related activities.

Children have been doing so well in math skills of counting, patterning, recognizing numbers and shape through games and manipulatives. This month we will begin writing numbers and continue with seriation and sequencing skills. In language arts, they will be introduced to rhyming words which we will practice through games and conversations. Our letters this month are: Rr, Ss, Tt and Uu. Please continue to send in Share Bags...the kids really love it!! Thank you for all you do for our class!

- **Ms. Rashmi & Ms. Sally**

Junior Kindergarten

We are very excited to experience the love in J.K. this February! ♥ We will be labeling and talking about our feelings and emotions. As always, acts of kindness will be recognized and encouraged.

The children have been working hard on their letters. Their ABC books look AMAZING. The children are taking more pride in their work and are loving the results of their nearly completed class binders and ABC books.

This month we will bring the outside in with our science unit on flowers. We will discover a new appreciation for the different parts of a flower as we dissect and label them. 🌻

The class has been so interested in math stories we have been creating that involve subtraction and addition. We will continue with those and also practice counting by fives and tens, all of the way to 100! We are also eager to celebrate our 100th day of school this month! Yay! 😊

- **Ms. Nicole**
