Dear Parents,

Happy New Year everyone!! I hope all of you had a great holiday season with family and loved ones. As we step into another brand new year, Afaz and I would like to thank each and every one of you for making Happy Minds Kids Academy's success possible!! We couldn't have come this far without your continued help and support at all times.

Our Winter Holiday Parties were a great success! We had a full house with parents, grandparents, aunts, uncles, siblings and even cousins!! ☺ Everyone had so much fun working on their crafts and hanging out with other families. Our kids sure enjoyed singing and their gift exchange! It was wonderful to see the sparkle in their eyes during gift giving!

Thank you very much for your wonderful greeting cards and generous gifts. We look forward to what 2019 has in store for Happy Minds Kids Academy and we invite you all to continue sharing this wonderful journey with us!

~ Ms. Fas-hana Afaz

Star Room

HAPPY NEW YEAR!!

A BIG Thank You to all our Star Room Families for the many thoughtful gifts we received this past holiday season. We are so GRATEFUL for everything!! What a busy month we had in December, filled with lots of fun and excitement!

As January approaches, the fun continues as we start gearing up for new adventures, and continued mastery of accomplished skills! The children's learnings' will be at a more fast paced routine with phonics, letter recognition, writing formations, and continued emphasis on Social Learning Theory: Attention, Retention, Reproduction, & Motivation. We look forward to watching each child grow and expand in their own unique way. It is truly a marvel to watch them grasp attainment as they learn how to work individually, and as one cohesive team!

With Much Love,

-Ms. Yvonne, Ms. Clarissa & Ms. Rozie
Pre- K

Happy New Year and a huge Thank You for the thoughtful gifts you showered us with. Hope you all enjoyed your family time together, just as we did!

In 2018, we watched the amazing growth in learning and we will continue this trend this year with 'Resolutions', our 'Winter' theme and continue into 'Hibernation and Migration of birds and animals'. They will also learn about Martin Luther King Jr. Children will expand their knowledge through stories, sensory experiences, games and activities.

Our letters for the month will be 'Nn', 'Oo', 'Pp', and 'Qq'. In Math, will introduce writing numbers and continue with 1-1 correspondent counting, patterning and classifying activities. Children will continue practicing Spanish vocabulary for Months of the Year, Days of the Week and counting numbers. They will now be introduced to naming colors and shapes in Spanish. We look forward to an amazing 2019 with you and your kids!

Junior Kindergarten

Happy New Year Jr-K families!

As we look back on 2018, we will discuss the highlights of our year and our hopes for what 2019 will bring. We will continue learning about winter activities, animals, and winter weather. We will have an opportunity for some insightful reflective journaling.

The children will review the letters, numbers and colors they have studied thus far, through song and games. Their math skills have strengthened by using manipulatives, worksheets, open ended discussions on real life math, and our cooking days. We will begin to focus on adding and subtracting natural numbers.

We are beyond excited for this fun start to the new year! Wishing all of you a happy and healthy 2019!!!

- Ms. Nicole
