Dear Parents,

**W**ow! Summer sure is rolling by fast! Everyone here at Happy Minds is busy having such a great time. We have been trying our best to keep our little ones busy despite the unprecedented times we are living in. We've had a festive Fourth of July Week, a super fun Bubble Week, an active Sports Week and a magical Imagination & Disney Week.

**A**lthough, we weren't able to do our fun field trips this summer, our center was still filled with many fun activities, that we are sure your kids have shared with you all about the fun activities done here at Happy Minds and are excitedly looking forward to the rest of the summer activities. We are eagerly awaiting having all the farm animals at school, especially the ponies as well as our bird show and animal show!

**W**e are excited to be starting a Kindergarten program this upcoming new school year. This has been done to facilitate and help our families who our unable to enroll their children in elementary schools due to distance learning requirements.

**W**e thank you once again for helping us navigate through these uncharted territories and for your trust in us to take care of your precious littles.

Sincerely,

Ms. Fas-hana & Ms. Yvonne
