

Dear Parents,

Yet another summer flew by so fast!! Here at Happy Minds we had so much fun with our super fun weekly themed activities, dress up days and awesome water play days!

As we approach a brand new school year, with some unique changes, we look forward to yet another grand new adventure with our kids.

We would be very grateful if students are dropped off at school no later than 8:45 am in the mornings so that they can start their day with our morning assembly and flag salute. Kindly call or email the school at Happymindsattendance@gmail.com if you will be coming in past 9:30 am.

Thank you once again for entrusting us with your wonderful kids!

- Ms. Fas-hana & Ms. Yvonne

A Mother's 1st Day of School Prayer

I wonder what you're doing now,
And if everyone is treating you kind.
I hope there is a special person,
A nice friend that you can find.

I wonder if the teacher knows
Just how special you are to me.
And if the brightness of your heart
Is something she can see.

I wonder if you are thinking about me,
And if you need a hug.
I already miss the sound of your voice
And how you give my leg a tug.

I wonder if you could possibly understand
How hard it is for me to let you grow
On this day know that my heart breaks
For this is the first step in letting you go.

Rainbow Room

Rainbow Room is happy to welcome back all of our returning students, and a very warm and heartfelt welcome to our new students. We are excited to start the new school year with all of you.

During the first few weeks of school we will be spending time getting to know one another and allow time for your little ones to adjust to the new environment. Every month we will be learning a new shape, color, and nursery rhyme. We will also be doing a lot of arts and crafts to help with their fine motor skills. We know these past few months have been an adjustment for everyone, but moving forward we hope to have a wonderful school year.

Treating our friends and others with respect and kindness will also be our focus this month as we get to meet and welcome new friends.

We want to thank our parents for the strong support they continue to give us. Feel free to stop by if there's any questions about our class and we will gladly love to answer

Pre- Kindergarten

Welcome aboard Pre-k, Kids and Parents! We look forward to beginning this New School Year together with you and your child. As we begin this journey, it will be our privilege to get to know you and your child, as well as build a strong partnership for the success of your child. Children will acclimatize to new structured routines and expectations. They will be engaged in fun activities and games to learn concepts of colors, shapes, language arts and math. Our continuous goal for children will be promoting teamwork, getting along and respecting each other, sharing, taking turns, conflict negotiation and problem solving. Children will be learning about themselves in ALL ABOUT ME.

At the end of the month, we will begin learning letters. An alphabet will be introduced each week with 'Show and Tell' on Wednesdays and Cooking on 'Flavorful Fridays'. We encourage parent participation in our classroom activities for children to enjoy the experiences. If you have any questions, concerns or clarifications regarding matters pertaining to your child, please feel free to approach us. We are always happy to set aside some time for you. We look forward to enjoying a fabulous year together!
