Dear Parents,

We are so grateful to our families for your continued unwavering support and words of encouragement during these unprecedented times. These past few weeks have brought on a lot of uncertainties; however, we are pleased to share that Happy Minds continues to operate as usual, staying well, safe, and healthy. We miss seeing our kids who are unable to attend right now and look forward to their return. We will continue to create a calm and peaceful environment within our walls, and send our families heartwarming positive vibes as we weather this storm together.

Although, last month has been a challenge, we are excited to announce our new world of technology teaching! We have begun implementing weekly ZOOM meetings. Our first trial was a great success and all the kiddos who logged on were so adorably cute to see. We will continue to send out invitations each week for your classroom's session.

We are looking forward to enjoying warmer days and will begin to explore all the wonders of nature that Spring brings.

We had many activities planned for this month, but due to the current situation all will have to be put on hold. We will nevertheless celebrate Super Heroes dress up day on Tuesday April 28th, which will definitely help brighten our spirits.

We pray and hope everything will return to normalcy soon and look forward to seeing all our students and families.

Ms. Fas-hana & Ms. Yvonne
