Dear Parents,

April has been a month filled with new learning and discovery as we all navigated a new way of distance learning. Our families have been very receptive to our Zoom sessions and it has given us much joy to still be able to interact with our kiddos! We are indeed grateful to those parents who despite their busy stay at home schedules still took the time to connect with our teachers. We are hopeful that these sessions coupled with the weekly homework assignments has helped create somewhat of normalcy to our students lives.

Despite the circumstances and changes, our teachers have gone above and beyond and done their very best to create learning activities that are fun and stimulating to ensure to continue creating a calm and peaceful environment at Happy Minds. Our Superhero Day was testimonial to that. 😊

The month of May promised a lot of exciting events that we have had to put on hold. However, we want to take a moment to acknowledge all our amazing moms and wish them all a wonderful Mothers' Day. Teacher Appreciation Week is next week and we want to make sure we acknowledge our awesome and fabulous staff as well!

With the shelter-in-place orders being gradually relaxed over the next few weeks, we are being very hopeful that our school will be in full swing soon and we can receive all our kiddos back.

Teacher Appreciation Week  
May 4<sup>th</sup> - 8<sup>th</sup>

Teachers are special people that grace our lives. They help mold and shape our children into the wonderful people they will grow to be.

This week, let's show our Superhero teachers at HMKA how much we appreciate them by showering them with small tokens of gratitude.

During this week, we would be very grateful if students are able to send pictures, art work, photos and cards to our teachers to show them how much we appreciate them.

Parents can mail them to the school or swing by and drop them off in our mail box anytime. This will indeed warm our teachers' hearts!
