Dear Parents,

Happy New Year everyone!! We hope all of you had a safe holiday season with family and loved ones. As we step into another brand new year, we want to thank each and every one of you for making Happy Minds Kids Academy's success possible despite all odds we faced this past year! We couldn't have come this far without your continued help and support at all times.

Our Winter Holiday Class Parties were a great success! Even though we couldn't host our usual family gathering, our kids sure enjoyed the fun celebrations, the singing and the gift exchange! I hope you were able to enjoy the photos posted on Facebook as well as the videos of the kids singing!! We also want to thank all of you for your wonderful greeting cards and generous gifts.

We look forward to what 2021 has in store for Happy Minds Kids Academy and we invite you all to continue sharing this wonderful journey with us!

~ Ms. Fas-hana & Ms. Yvonne

Pre- K

A Very Happy New Year to all our Pre-K families and a Huge Thank You for the thoughtful gifts you showered on us during the Holidays! Our Holiday Party was super fun with the kids' performance being the 'cherry on top'!

In 2020, we watched the amazing growth in learning and will continue this trend as we begin the New Year with 'Resolutions', the 'Winter' theme and continue into 'Hibernation and Migration of birds and animals' as part of science. In Social Studies they will learn about Martin Luther King Jr. Children will expand their knowledge through stories, sensory experiences, games and activities. We will resume our letters with Jj, to tie in with January, followed by Kk, Ll, Mm and Nn.

In Math, children will be introduced to writing numbers and will continue with 1-1 correspondence counting, patterning and classifying activities.

As we usher in the year of 2021, we would like to take a moment to be grateful, for you and your kids being part of our lives, that brought us joy even during the challenging times. We will complete the school year strong, in our support for each other. We look forward to a wonderful 2021 with you and your kids!

Kindergarten

Happy New Year friends! Wow it's 2021! We will be having SNOW much fun learning this month. We will be reviewing the alphabet, clap and count syllables as well as learn new sight words. We will enhance our reading skills by reading a variety of books. The kids will engage in our own Winter Wonderland activities. In Math we will continue to review numbers 1 -100, counting by fives, tens and twenties. We will include addition and subtraction through snowball games, more or less, symmetry of snowflakes and graphs. For Science we will be creating snow play recipes, and celebrating National Bubble Bath Day, on January 8th, with another recipe included for even more fun! We are so grateful to all of our families that donated books. We were delighted with these wonderful gifts.

We are beyond excited for this fun start to the new year! Wishing all of you a happy and healthy 2021!!!

- Ms. Diane
