Hello Dear Sunshine Friends! We are looking forward to lots of fun in the sun and a very special Father's Day. We'll be reading books and creating some heartfelt surprises for dad. During the month of June, we will review everything we've done over the past year: cutting with Play-Doh, writing numbers and letters, picture words, and puppet shows. To all precious students and precious parents, a great big thank you for all the cards, flowers, gifts, and treats, we were greatly touched! Thank you for sharing your precious little ones with me.

Lovingly,

**Star Room**

WOW! The LAST month of the regular school year is here and we're SO PROUD of our students! They're not only taller, and baby cheeks are gone, but they are wiser, more independent, kind, and AMAZING!!! 🌟

Last month the kids were reading more words and this month we'll start reading sentences! We'll review Math concepts, and keep developing small motor, social, and cognitive skills.

Thank you SO MUCH Star Room parents for your generosity during Teacher Appreciation week!

Thank you for allowing us to be part of your children's life. It has been a beautiful school year and we'll always keep them in our hearts!

LOVE,

-Ms. Ita & Ms. Jackie

**Pre-Kindergarten**

Thank you for the opportunity to spend this past year with your children. It was an amazing year. It is such a bitter-sweet time. We love to look back and remember all the adventures we have had as a group, yet it is so hard to say goodbye. As their teachers we are confident that as a group and individually we have accomplished what we were supposed to! They will continue to grow in many ways in their future. This month will be a review of all their learning in the past year and we will also be preparing for our Grand Concert and Graduation earlier in the month. We cannot wait to showcase all our talent! We look forward to seeing all of you back for our fun and exciting summer program!

Thank you for all your support, understanding and working as a Team with Us.

- Ms. Rashmi & Ms. Stephanie
