Dear Parents,

April was such a great month filled with so much learning and fun activities. Our spring egg hunt was awesome and we had a busy Superhero day.

The month of May promises even more exciting events! We will start of the month with Star Wars Day, Spring Portrait Days, National Teacher Appreciation Week followed by our Scholastic Book Fair! It sure is going to be a busy month.

Thank you once again for entrusting us with your wonderful kids!

~Ms. Fas-hana & Ms. Yvonne

Class News Infant Room 1

May is here and finally we can enjoy some warmer weather! This month is going to be busy for our little ones! We enjoy spending time outside in our playground as well as going for strolls in our red car, observing all the beautiful things Mother Nature brings! We have some fun art work planned to celebrate all our beautiful mommies. 😊

-Ms. Manuela, Ms. Sally & Ms. Sahar

Infant Room 2

May already! Wow! This month we're going to be appreciating our beautiful hard working mothers. We're also going to do a lot of fun activities and sensory art for this month's shape and color. Mothers stay tuned for your special little surprise our kids have planned for you. Happy Mother's Day to all our beautiful mothers and we appreciate you all! ❤️

- Ms. Kathryn & Ms. Elliott

Toddler Room 1

Hello again to our amazing families!! Another month has come and gone. We are so excited to get into another month of fun in the toddler room. All the kiddos are doing great and are learning to share with each other, as well as take turns. We are working on using our words. We are so excited for the growth this month will bring.

- Ms. Terri, Ms. Zohreh & Ms. Israa

Toddler Room 2

Happy May! The weather is finally starting to get warm and we are excited for our outside time. This month we will focus on many fun sensory activities such as slime, kinetic sand, play dough and jelly!

The school year is going by so fast and our friends are growing and learning. We are so excited to get into another month of fun in the toddler room.

- Ms. Rajaa & Ms. Aziza, & Ms. Solana

Rainbow Express

May is finally here! Warmer weather is here with all the pretty flowers blooming for spring. We are so proud of how much our little ones are growing and learning about our shapes and colors. This month we have exciting things coming up as we are getting ready for our Mother's Day craft.

- Ms. Maddy & Ms. Fowzieh

Rainbow Room

Spring is here and we are almost coming to the end of our fun and busy school year. We will continue to work on our colors, shapes and letters, and our nursery rhyme along with some fun arts and crafts.

Rainbow Room wishes our beautiful mothers a very happy Mother's Day and we are looking forward to celebrating with you all. We also want to thank our wonderful parents for their continued support of our class room.

- Ms. Rozie, Ms. Crystal, Ms. Maria & Ms. Saghi

Sunshine Room

Dear Sunshine friends, thank you to each one of our parents for all your support. Our egg hunt was a blast. The little ones enjoyed it greatly.

April showers bring May flowers. These rain showers fell on our little ones, and they have blossomed too. The children will be creating a beautiful gift in honor of their moms, created by their very own little hands with much love. We are looking forward to completing our alphabet letters and new words along with reviewing our numbers through a new visual number chart, writing new nursery rhyme, art, and so much more.

Lovingly,

- Ms. Diane

Star Room

We hope you've enjoyed all the stories the children have been learning about Reduce, Reuse, and Recycle and helping Planet Earth! The volcano activity was a blast (no pun intended) 😊!

This month we'll focus on the last two letters of the alphabet and we'll add more sight words to our list. In Math, we'll continue identifying the teen numbers, counting by 10's, addition and subtraction. The children have been doing amazing at developing these new skills!

Moms, get ready because the kiddos will be creating masterpieces full of love to celebrate YOU! Thank you parents for all the eggs you donated for the spring egg hunt! They had so much fun... their enthusiasm was contagious! Happy Mother's Day! ❤️

- Ms. Ita & Ms. Jackie

Pre-Kindergarten

The children had a unique learning opportunity with the 3 R's, reduce, reuse and recycle on Earth Day. We discussed extensively about ways to help our planet, just as the earth provides us in abundance with its resources. They loved planting seeds and watching them grow after learning about parts of a plant.

The Alphabet party is coming up this month! They are now learning to place beginning letters into words with endings such as '___at, ___ap, ___op and many more. They will learn some sight words as well. We will continue to review opposites, position and rhyming words.

This month children will observe and learn about the metamorphosis of a butterfly and silkworms. They will continue practicing counting in 5's, 10's and simple additions in math. They have enjoyed science experiments and engaging in STEM activities.

We are excited to celebrate Mother's Day and have been busy with activities for the occasion. They are having a great time practicing for the graduation. Please be on a lookout for information on the dress code for the performances.

Teacher

Appreciation Week

May 8th - 12th

Teachers are special people that grace our lives. They help mold and shape our children into the wonderful people they will grow to be.

This week, let's show our Superhero teachers at HMKA how much we appreciate them by showering them with small tokens of gratitude.

May 8th (Mon) - What's your teacher's Super Power? Draw or bring a Picture/Card to show her.

May 9th (Tue) - Bring your Superhero Teacher a fresh flower.

May 11th (Wed) - Bring your Hero their favorite Super Drink.

May 11th (Thu) - Bring your teacher a Super Treat/Snack.

May 12th (Fri) - Bring your Hero a small token of your choice.

Participation in the above activities is totally voluntary.
