Dear Parents,

Happy New Year everyone!! We hope all of you had a safe holiday season with family and loved ones. As we step into another brand new year, we want to thank each and every one of you for making Happy Minds Kids Academy's success possible. We couldn't have come this far without your continued help and support at all times.

Our Winter Holiday Class Parties were a great success. We were excited to be able to host our usual family gathering. Our kids sure enjoyed the fun celebrations, filled with singing and the gift exchange. I hope you all enjoyed the evening as well! We also want to thank all of you for your wonderful greeting cards and generous gifts.

We look forward to what 2023 has in store for Happy Minds Kids Academy and we invite you all to continue sharing this wonderful journey with us!

~ Ms. Fas-hana & Ms. Yvonne

Important Dates

January 3rd (Tue) -
School re-opens for the New Year.

January 16th (Mon) -
School closed for Martin Luther King Jr. Day.

Water Bottles

Please take a moment to check your child's water bottles. We have noticed many water bottles needing to be swapped for newer ones. Kindly ensure your child's water bottle has a secure lid and can be easily drunk out of.

We would be very grateful if parents kindly make sure the water bottle is brought in to their respective classes at the end of the day, during pick up time, and taken home over the weekend so that they can be washed and cleaned, as teachers only rinse them.

The month of January will bring much more amazement and curiosity as together we walk into the wonderful world of winter. Our discussions and books will lead us into weather, hibernation, animals in that environment, and many exciting sensory experiments.

We will continue reviewing phonics, writing skills, and building on our social skills as well.

Star Room

Happy 2023!! Welcome back! This month will be full of learning experiences! We will focus on the Five Senses and have lots of fun especially tasting and smelling yummy (and yucky stuff 😊).

Starting January, we'll have a weekly letter (instead of every 2 weeks like last semester): I, J, K, and L.

We'll celebrate Martin Luther King Jr.'s Day and talk about his dream and how diversity makes us stronger. In Science, we'll talk about Winter ❄️ and in Math, we will focus on patterns.

- **Ms. Ita & Ms. Nadine**

Pre- K

Happy New Year to all our Pre-K families and a Huge Thank You for the thoughtful gifts you showered on us during the Holidays! Our Holiday Party was super fun with the kids' performance being the 'cherry on top'. Hope you all enjoyed your family time together, just as we did!

In 2022, we watched the amazing growth in learning of each of our students. We will continue this trend as we begin the New Year with 'Resolutions', the 'Winter' theme and continue into 'Hibernation and Migration of birds and animals. They will also learn about Martin Luther King Jr. Children will expand their knowledge through stories, sensory experiences, games and activities.

Our letters will be 'Mm' for Muffins, 'Nn' for Nachos, 'Oo' for Oatmeal and 'Pp' for Pancakes. Please be on a lookout for sign-ups for cooking & tasting experiences. In Math, children will be begin writing numbers and continue practicing 1-1 correspondent counting, patterning and classifying activities. Children will continue learning and practicing the Spanish vocabulary for Months of the Year and Days of the Week, counting numbers & more....

We look forward to an amazing 2023 with you and your kids!
