Dear Parents,

Yet another summer flew by so fast!! Here at Happy Minds we had so much fun with our super fun weekly themed activities, dress up days, and awesome water play days!

Our end of summer picnic was really great. Our kids enjoyed playing with their friends and had so much fun! I would like to take this opportunity to thank all our parents who provided food and snacks for our picnic, and most importantly for taking the time off of your busy schedules to spend some fun family time with your little ones.

As we approach a brand-new school year, we look forward to yet another grand new adventure with your kids.

We would be very grateful if students are dropped off at school no later than 9:00 am in the mornings. Kindly call or email the school at [Happymindsattendance@gmail.com](mailto:Happymindsattendance@gmail.com) if you will be coming in past 9:30 am.

Thank you once again for entrusting us with your wonderful kids!

~ Ms. Fas-hana & Ms. Yvonne

## Pre- Kindergarten

Welcome Pre-K Kids and Parents! We look forward to beginning this New School Year together, getting to know you and your child, as we build a partnership for the success of your child.

Children will acclimatize to new structured routines and expectations. They will they be engaged in fun activities and games to learn concepts of colors, shapes, language arts and math. Our continuous goal for children will be promoting teamwork, getting along, respecting each other, sharing, taking turns, conflict negotiation, and problem solving. Children will also be learning about themselves and how their body grows through an ALL ABOUT ME activity. They will be introduced to the Food Pyramid for better understanding of the types of foods required to grow healthily.

At the end of the month, we will begin learning letters. An alphabet will be introduced each week with 'Show and Tell' on Wednesdays and Cooking on "Flavorful Fridays". We encourage parent participation in our classroom activities for children to enjoy the experiences.

If you have any questions, concerns or clarifications regarding matters pertaining to your child, please feel free to approach us. We are always happy to set aside some time for you. We look forward to enjoying a fabulous year together!
