Star Room

Thank you parents for all the Valentine's treats. The kids had a blast at the party!

We will end February and start March by celebrating Dr. Seuss' Birthday!!! We'll have a week full of fun and learning activities, reading books, and making fun projects! We will also have a St. Patrick's Day Party ☘ and we will commemorate Happy Minds Kids Academy's 11th Anniversary!!!! Remember that we learn by playing!

We will focus on letters P, Q, R, S, and T. In Science, we will be welcoming Spring and all the changes that it brings. We had fun learning to count by 10's and learning the teen numbers. This month, we'll be adding and subtracting!

- **Ms. Ita & Ms. Jackie**

Pre- Kindergarten

We have a lot to celebrate this month! We begin with Dr. Seuss's 119th birthday with a variety of related activities each day. Children will learn new rhyming words as we read his books. Along with rhyming words, children will learn position words too. We are almost at the end of our letters, yay!! Our letters will be Uu, Vv, Ww and Xx. It is so wonderful to see them come up with new words each day as they build their vocabulary with letters each week!! They love singing the Alphabet Phonic Songs and 'keeping active' action songs. We will continue with writing numbers, counting in 5's and 10's and 'what comes next?'.

Happy Minds celebrates its 11th birthday with cupcakes for kids! They are going to enjoy some surprises for St. Patrick's Day with some fun activities and green snacks! A huge thank you to all our parents for your constant support!
